

Steel Sc Fiber Optic Joint Box , 48 Port Fiber Patch Panel Drawer Type

HANGZHOU MINGXIN FIBER NETWORK TECHNOLOGY CO., LTD.

Detailed Product Description

Material:	Cold-rolling Steel	Type:	Sliding Type
Environmental Temperature:	-25 - 55°C	Atmosphere Pressure:	70~106Kpa
Relative Humidity:	<85%(when The Temperature Is Below 30°C)	Port Numbers:	48 Cores

Steel Sc Fiber Optic Joint Box , 48 Port Fiber Patch Panel Drawer Type

- Suitable for the protective connection between cables and pigtails
- Suitable for the connection between optical cables and optical communication device
- Unique structure, easy installation, for indoor use
- Rack Mount, Wall Mount. Suitable for FC adapter, ST adapter, SC adapter, LC adapter etc.
- Capacity: 12,24,32,48,64,72,96 splices
- Adapters installed: FC adapter ,ST adapter, SC adapter, LC adapter etc
- Suitable for ribbon and bunchy fiber cable

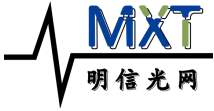

Features

- Made of cold-rolling steel, static spreading-plastic, small dimension and exquisite and easy for operation.
- The box are Rack Mounted, which is convenient to install and dismantle;
- The splice tray could be piled one upon another, flexible to turn;
- The curve radius of the coiled spear fibers should be guaranteed to be over 37.5mm in the splice tray;
- The box is of unique structure, reasonable layout, and has adequate room for operation;
- Adjustable clamp seal ring and reinforce configuration, which could adjust different sizes of cables flexibly to make sure the cables are clamp tightly;
- The indoor type is of excellent seal performance, which could prevent water from entering effectively.

Parameter

Environmental temperature:	-25 - 55°C
Relative humidity:	<85%(when the temperature is below 30°C)
Atmosphere pressure:	70~106Kpa
Insulating resistance:	>2×10 ⁴ MΩ/500VDC
Voltage-resistance strength:	Under the effect of 15kv/DC/1min, non-puncture, and no arc-over.

Steel Sc Fiber Optic Joint Box , 48 Port Fiber Patch Panel Drawer Type

HANGZHOU MINGXIN FIBER NETWORK TECHNOLOGY CO., LTD.

Why choose us

We do everything we can think of to provide you with the product specs, images and ordering info you need, but if we're missing something or still have room to improve, please let us know. Your comments, suggestions and questions are the best tools we have for serving you better!

Our clients rely on MXT's superior craftsmanship and quality products to make their networks more stable and robust. Our strict attention to industry standards, along with a keen awareness of technological advancements, ensures the network Fiber Solutions builds for you today will meet your needs for many years to come.

Payment Methods

Wire Transfer

We accept bank wire transfer payment. You can wire transfer from any of your local bank to our bank. All fee(payer & payee)generated by the bank wire transfer should be paid by the buyer. Otherwise, the fee will be deducted from the payment we receive.
